

## TRI-STATE FOOD PANTRY VOLUNTEER AFFIDAVIT

The Tri-State Food Pantry is pleased you want to help us prepare and distribute food boxes to our clients.

We ask that all of our volunteers read and sign this form before you begin working with us.

1. The identities of food box recipients must remain confidential.
2. Our clients are treated with respect and without discrimination.
3. We appreciate our volunteers, but because of USDA, and other Federal regulations, all commodities may be distributed only to those who have qualified for receiving a prepared box.
4. Unauthorized removal of any food items may cause Tri-State to lose our ability to purchase those commodities, therefore persons removing food other than their pre-qualified box will be asked to not return.

I have read and understand the above, and will abide by the guidelines as set forth.
